Romping Clothes!

There is nothing so good for the boys' Summer wear as Wash Suits. Each boy ought to have two or three to see him through the Summer. You have no idea, unless you have been here, what nice, neat Suits can be bought for a single half dollar and the easiest kind of rises up to two dollars. Sailor and Russian Blouse styles in linens, galateas, crash and chambray. Will they wash? That's the idea in making them. Why, you can drop the boy into the tub, clothes and all, and it won't hurt the Suit any more than it will the boy.
